215.794.4000

Peddler's Village has something for everyone from 70 specialty shops and six restaurants to the luxurious 70-room Golden Plough Inn and the Giggleberry Fair family entertainment center. We invite you to celebrate your favorite traditions at our 11 annual events.

### **[Historic New Hope](#)** (another favorite place to go and walk and people watch)

The borough of New Hope provides an example of how an old town whose economy was based on industry has morphed into a community that draws its strength from the arts, tourism, and a unique spirit of independence and nonconformity. Today, New Hope has the image of a tourist town with a heritage profound in its roots in theater, art and the antiques trade

### **[Philadelphia Museums](#)** (too many to list...check them out.)

### [Washington Crossing State](#)

If you are interested in American History, you HAVE to see this place.

From this site, General George Washington and men of the Continental Army and militia crossed the Delaware River on Christmas night 1776 and marched to Trenton, New Jersey. There they attacked and defeated Hessian troops quartered in and around the village. This surprise attack and victory set the stage for Washington's subsequent victories at the Second Battle of Trenton and Princeton. The Crossing and the Trenton/Princeton campaign have become known as the Ten Crucial Days — a campaign that saved Washington's army from defeat, allowing them to fight another day and achieve ultimate victory.
